

21st Century Scholars

Your child may be eligible for a college scholarship

Indiana's 21st Century Scholars program offers income-eligible Hoosier students up to four years of paid tuition at an eligible Indiana college or university after they graduate from high school, dependent upon financial need. In middle and high school, Scholars are connected to programs and resources to help them stay on track for college and career success. Once in college, Scholars receive support to complete their college degrees and connect to career opportunities. 7th and 8th grade Indiana students whose families meet income eligibility guidelines can apply to become a 21st Century Scholar. **Applications must be received by June 30 of the student's 8th grade year.**

WHAT'S EXPECTED

In return for keeping the Scholar Pledge and completing the Scholar Success Program throughout high school and college, the Commission for Higher Education commits to providing Scholars with up to four years of undergraduate tuition assistance at an eligible Indiana college, dependent on financial need.
